

Summary Report: Faculty and Student Publications and Conferences

The Faculty and Student Publications and Conferences meeting celebrated recent scholarly achievements while also discussing support for ongoing and future scholarly endeavors. Attendees recognized the impact of recent publications and presentations by faculty and students, emphasizing their contributions to advancing knowledge. Discussions revolved around providing support for continued scholarly work, including funding opportunities and collaborative partnerships. Additionally, plans were made to facilitate future conference participation, promoting networking and collaboration opportunities. The meeting underscored the university's commitment to fostering a culture of scholarly excellence and supporting the academic endeavors of both faculty and students.
