Dialektologiya metodologiyasi /Monografiya /– Toshkent: «Innovatsiya-Ziyo»,  
2020, 152 b

*Monografiyada "O'zbek dialektologiyasi"ning nazariy va amaliy muammolari hamda ayni vaqtdagi dolzarb masalalari dialektal leksikografiyasi va o'zbek dialektal leksikografiyasi muammolari; o'zbek shevalarining leksikasini lingvistik geografiya metodida o'rganish, yig'ish, jamlab, ilmiy tadqiqqqa tortish bilan dialektal so'z turlariga oid leksik materiallar asosida ko'p jildli "O'zbek xalq shevalari lug'ati"ni yaratishga kirishish masalalari talqini va tahlili turti dalillar bilan ko'rsatildi. Dialektizm, dialektal so'z va uning turlari; shevalarning leksik birliklarini sheva vakillari mutqidan yozib olingan dialektal matnlardan ajratib olish va ular asosida dialektal so'zlarning lug'at maqolalarini tuzish "O'zbek dialektologiyasi" sohasining bahsli muammolaridan ekanligi asoslanilgan.*

*Monografiya "O'zbek dialektologiyasi" masalalarining ilmiy-amaliy tadqiqi va tahlili bilan shug'ullanayotgan tadqiqotchilarga, shuningdek, ilmiy kuzatishlar olib borayotgan magistrlargha hamda ilmiy jamoachilikka mo'ljallangan.*

*The monograph includes theoretical and practical problems of "Uzbek dialectology" and topical issues - dialect lexicography and problems of Uzbek dialectological lexicography; interpretation of the issues of the beginning of the creation of a multivolume "Dictionary of Uzbek dialects" based on lexical materials on dialect types of words by studying, collecting, generalizing and researching the vocabulary of uzbek dialects using the method of linguistic geography, and the analysis was confirmed by numerous evidence. And also dialectics, dialect words and dialect types of words; it is argued that the separation of lexical units of dialects from dialect texts recorded in the speech of representatives of dialects, and the compilation of dictionary entries of dialect words on their basis is one of the controversial problems in the field of Uzbek dialectology.*

*The monograph is intended for researchers engaged in scientific and practical research and analysis of "Uzbek dialectology", as well as masters of scientific observations and the scientific community.*
