

## ***Finding Your Way to TSUULL: A Guide for New International Students***

We are looking forward to seeing you soon and hope you will settle in comfortably before the start of term.

Included in this guide are details on bus services to TSUULL operating from Islam Karimov International Airport, and details about trains to help you in your journey.

### ***Pre-Arrival and Covid-19 advice***

Do not travel if you have [coronavirus symptoms](#).

There are “[red, amber, and green](#) list countries” which, along with whether you are fully vaccinated, impact the rules you must follow to enter Uzbekistan. Please check this information carefully, and book your [COVID-19 tests](#) in good time. Travellers from red list countries need to book and [stay in a quarantine hotel](#).

Contact your College to find out where you can collect your keys, to discuss arrival times, and quarantine (if needed) before finalising your travel plans.

As of July 2021, it is [no longer required by law](#) to wear [face coverings](#) while using public transport or indoors, however individual businesses can still require customers to wear face coverings. It is compulsory to wear a mask while travelling through Islam Karimov International Airport. Many airline companies are continuing to make face coverings mandatory, so you should check with your carrier before flying. Transport hubs (such as rail and tram stations, and bus and coach stations) currently also require this, and may also take your temperature using a contactless thermometer prior to boarding. Certain shops will also have these requirements, too. Please therefore make sure you bring face coverings with you on your journey.

Consider purchasing bus and train tickets online in advance of your journey, so that you are guaranteed a seat for your preferred time of onward travel.

You may wish to avail yourself of one of a number of Airport ATMs and currency exchange services when arriving in Tashkent, since not all international bank cards are supported for contactless payments on public transit.
